Our **G:Love** theme this past year has taught us how to **RESPOND** like a glove to God's gracious hand in our lives through Christ. This summer Focused Living Ministries is again hosting a cross-cultural missions' trip to Belize in Central America. If you have never been on a missions trip before, what a great chance to get out of your comfort zone and respond to God by saying, "Here I am. Use me! I want to grow in Christ!" The following info will help you to prayerfully consider serving the Lord with us.

DESCRIPTION We will be serving the urban poor in a section of Belize City called the "Burial Grounds". We will serve the people during the morning hours doing construction on an elementary school and church as well as in the community. In the afternoons we will be going door to door meeting the men in the community, sharing our story of what Christ has done in our lives and inviting them to a Men's Conference which we will host each evening. At night we will host a dinner and practical Men's Seminar helping these men get to know Christ as God, man, Savior and Lord. We encourage and equip them to become the men, husbands, fathers and workers that God has called them to be.

DATES June 6-13, 2015

COST \$1500
